Application Information

Application deadlines	Fall semester: May 15th	Spring semester: November 15th
Nomination process	<p>Nominations can be submitted via the International Exchange (or Erasmus) Officer at the home university. This officer will send the application request (nomination) to Fontys.</p> <p>* For all Arts exchange programmes there are different application rules and deadlines: please carefully check the specific information on the programme of your interest.</p>	
Application process	<p>Once Fontys has received the nomination, the Fontys study department of choice will send the student a link to a web application called Mobility Online. Please take a look here to see how it works.</p>	

Practical Information

<p>Once Fontys has accepted the application in Mobility Online the student will be guided through the process of enrolment and the arrangement of practical issues including accommodation, visa (depending on the nationality) and insurance.</p>		
Visa	<p>To enter the Netherlands for the purpose of studying, students may require a visa and/or residence permit. Please visit fontys.edu for more visa information.</p>	
Accommodation	<p>It is not easy for international students to find accommodation in the Netherlands. Therefore, Fontys University of Applied Sciences (Fontys) offers a service to provide exchange students with assistance in securing suitable furnished accommodation for their exchange semester or for Full Degree students for the first period of their studies.</p> <p>Fontys can only guarantee housing for a limited number of students. Therefore, we strongly recommend that students keep on trying to find a room themselves.</p>	
	Application deadlines for accommodation:	
	Fall semester: June 15th	Spring semester: December 8th
	<p>Please visit fontys.edu for more information about our accommodation options</p>	
Insurance	<p>If you live in the Netherlands, you are obliged by law to have health insurance. The third party liability insurance cover is strongly recommended, as well as the repatriation insurance cover. Fontys University of Applied Science cannot be held liable if a student/trainee does not have (sufficient) insurance cover. Every student enrolled at Fontys is expected to have fulfilled his/her insurance obligations. Information about insurance - please visit fontys.edu</p>	
Student Services	<p>Our international student service will help students with their application procedures, finding accommodation and getting settled, so they feel at home as soon as possible. Every international student is also linked to a student coach. He or she will help the student with (study) questions and offer useful tips and advice, wherever necessary.</p>	

Facilities for students with special needs	<p>At Fontys, we look at your options and guide you if you are limited in your functioning for whatever reason, for example dyslexia, autism, ADHD/ADD, psychological complaints, family circumstances and chronic diseases.</p> <p>For more information about our facilities please visit fontys.edu.</p>
Fontys helps	<p>Students may sometimes need additional advice and assistance, in addition to the guidance provided by their study programme coordinator. In such a situation, Fontys can offer all the extra help they need. For example, if a student has questions about personal circumstances, study delay or finances, our student counsellors, student psychologists and student career advisors are on call, to help them.</p> <p>For more information about our facilities, please visit: fontys.edu/helps.</p>
Student Ambassadors	<p>Fontys student ambassadors are international students who are happy to share their experiences of living and studying at Fontys, and the Dutch way. They are also available to answer any questions a student may have.</p> <p>Please go to fontys.edu/studentambassadors to find out more and get in touch with them.</p>
#wearefontys	<p>Fontys is a university of applied sciences with a lot of international students from all parts of the world. Together they make a Fontys community. On this platform students share stories about our studies, student life, internships, work and other things regarding Fontys. So you get a feeling what studying at Fontys is like.</p> <p>All posts from Instagram, Twitter and YouTube with #wearefontys will be shown on the platform and its Dutch counterpart on fontys.nl/wijzijnfontys</p>
Living and Studying in the Netherlands	<p>For more information about life in the Netherlands please visit fontys.edu. Here you'll find information about a range of topics including transportation, financial matters, healthcare and Dutch culture.</p>
